4. COVID-19-19 Protocol for all Centers is as under:
  - A. If you are not vaccinated against Covid -19 with both the doses, then you will be quarantined for a period of 3(three) days after your arrival into the JATF CENTRE in single occupancy room and COVID-19 testing (RT-PCR) will be done on the 4th day of quarantine at the expense of JATF. If you are COVID-19 negative, you will be shifted to double-occupancy rooms.
  - B. In case you are found COVID-19 positive, you will be quarantined in the COVID-19 Care Center of JATF or COVID-19 Hospitals for treatment and management as per the COVID-19 protocol.
  - C. If on testing, you are found COVID-19 negative initially but there are symptoms similar to COVID-19 like fever, cough etc., then you will be isolated for seven days in separate single room and will be re-tested for COVID-19 again after seven days, if found COVID-19 negative. You will join double occupancy room, if found COVID-19 positive, then you will be shifted to COVID-19 Care Center of JATF.
  - D. During your stay at JATF Centre (quarantine/post quarantine period), you will have to self-monitor your health and body temperature and report to the Office daily.
  - E. During your stay at JATF Centre, you will have to strictly follow all the COVID-19 related guidelines and precautions such as maintaining social distancing, handwashing with soap and water, wearing mask properly over nose and mouth while in premises and while speaking as speaking generates a large number of droplets which may carry viruses if the person is COVID-19 positive.
  - F. If during the course, you develop any COVID-19 like symptoms such as fever, cough etc. please inform the Office immediately and do not mix with other Students until further directions from the Office.

Other terms and conditions of JATF will be intimated you soon via email.
